EDUCATION INTERNSHIP

TITLE: EDUCATION INTERN
REPORTS TO: EDUCATION DIRECTOR

SUMMARY:

The Education Internship will be a multi-layered internship with a focus on the research and implementation of educational programming for the State's Largest Classroom, AGVAN and the Indiana State Fair.

INTERNSHIP DESCRIPTION:

Education Interns with the Indiana State Fair Commission are active members of an award-winning educational team tasked with the creation, development, and implementation of dynamic experiential programming that utilizes agriculture as a unifying concept.

Intern responsibilities may include:

- Create new and dynamic programming curriculum
- Develop program procedures using the curriculum provided by the Education Department
- Implement programs during the Indiana State Fair
- Implement outreach programs
- Coordinate with the Education Department to fulfill logistical needs

INTERN REQUIREMENTS:

- Completion of Sophomore year or greater
- Excellent communication (written and verbal) skills
- Excellent rapport with youth
- Ability to work quickly and efficiently
- Ability to work outside during summer weather
